Notes:

1. **Calling All Troop Parents:** Now is the time for you to claim your destiny. Please look at the activities on the calendar with **empty parentheses** and pick up the phone to call Naomi Barrett, our Outdoor Activity Coordinator, and volunteer as an outdoor activity leader. Your contribution will make a difference both in the lives of the boys and in the future of the Troop.
2. A **Patrol Parent** is needed to be the adult single point of contact for each Patrol. Although the responsibilities are not extensive, key among them are:
 - a. to ensure quarterly service projects are on track during the quarter for which a specific Patrol is responsible (one quarter/service project per year),
 - b. to attend the monthly District Roundtable meetings when the Patrol is assigned (about three times per year) and
 - c. to consider leading one outdoor overnight activity during the year. If enough parents contribute in that way, the work will be spread more evenly among the Troop's adult leadership.

ACTIVITY COORDINATORS STILL NEEDED:

- **July 2010—July 4th Parade**
- **November 2010—Thanksgiving Pot Luck**
- **March 2011—Pinnacles Backpacking Trip**
- **April 2011—River City District Boy Scout Camporee**
- **May 2011—Rim of the Bay Backpacking Trip (Location TBD)**
